

# MASSACHUSETTS COVID-19 VACCINE PROGRAM

July 7, 2021

Dear Colleagues:

We have new resources to share this week. We hope you find them helpful.

## **New VaxMillions in multiple languages**

Spread the word about VaxMillions in 11 languages including Albanian, Arabic, Chinese Simplified, French, Haitian Creole, Khmer (at right), Polish, Portuguese, Spanish, and Vietnamese, all available here:

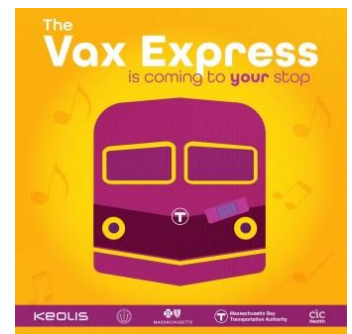

<https://www.mass.gov/lists/vaxmillions-registration-flyer>.

Share the link to register for one of five \$1M cash prizes or one of five \$300K scholarship grants: [mass.gov/VaxMillions](https://mass.gov/VaxMillions).

## **New VaxExpress is back - through July 11**

The VaxExpress commuter rail vaccine clinic is again making stops through July 11. Vaccination comes with free food, music, a \$25 grocery store gift card, and a chance for prizes. Please share the details at [cic-health.com/VaxExpress](https://cic-health.com/VaxExpress).

## **Reminder Fact sheet: Ways to Increase COVID-19 Vaccination**

This handy [factsheet](#) outlines options and services available to increase vaccinations. Mobile clinics, *Trust the Facts* materials, and other supports can boost vaccine awareness and access. Please share with your networks.

## **Reminder Vaccination at Home is available**

We are committed to meeting folks where they are to deliver COVID-19 vaccines. The In-Home Vaccination Program is available for free to anyone unable to get to a vaccine location. Learn more:
